

Growing a Greenway

On May 20th we held a community meeting where we invited neighbors to share ideas for the pedestrian greenway at 1601 Mariposa. Here are some of the possibilities!

MARIPOSA ST

18TH ST

Mosaics, sculptures and murals in greenway courtyard

Expanded landscaped areas

Harness on-site water for a dynamic element in the landscape

Green walls

Multipurpose space for exhibitions, exercise and performances

Urban furniture and chess tables throughout greenway

Views of Jackson Park

Idea bubble location does not represent amenity location on the greenway.

This is one in series of updates we will be providing to the community.
